The "Salón de Reinos" belongs to the old Palacio del Buen Retiro of Madrid, inaugurated in 1638, which, together with the Casón del Buen Retiro, has survived until now.

The Joint Venture formed by the architecture studios Foster + Partners and Rubio Arquitectura, has been awarded the Salón de Reinos Rehabilitation and Museum Adaptation.

The Joint Venture contacted FHECOR Ingenieros Consultores to write the structural project of the 'Salon de Reinos'.
